

About The School

Ours is a new-age, co-educational school with modern academic and co-curricular facilities. Life at SSPS is vibrant, exhilarating and dedicated to the joy of learning. We are aware that learning is most rewarding in a community that is lively, co-operative, critical and fundamentally curious. SSPS encompasses in itself the entire gamut of skills & knowledge required in formulating the guiding principles which helps the students to grow into such individuals who are not only capable of competing with the best but also embodying the values which draw on our best cultural heritage. This dynamic combination empowers them to be the ethical, dedicated and passionate leaders of tomorrow.

Mission

We believe that every child matters and learning should be fun filled, purposeful and challenging. The journey into life at school is an exciting time filled with new people, sight, sound and experience.

Vision

Our vision is to create a school that is highly regarded for its academician par excellence and for its contribution in actively serving and creating awareness in the community.

Founder's Message

JIRAL NIMESH SHAH
Founder & Director
Stepping Stones Play School

Greetings from the Stepping Stones Play School. At our school, we aspire to educate students, drive innovations and promote social equity. Our curriculum prepares students to be successful, productive, engaged members of society and for these we leave no stone unturned.

Our pre-primary curriculum caters every child's need. In this era, when everyone talks about child's holistic development, it is of paramount importance to impart an integrated education to the future citizens of the nation for successfully facing multi-tasking. Therefore, on our tiny tots, who are like little blossoms embellishing the garden of SSPS, we lay special emphasis on both curricular and extra curricular activities, providing them an edge over others to be a leader in their respective field.

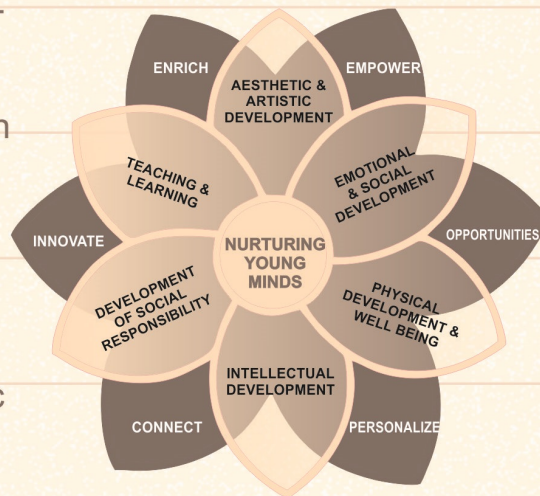

I am very proud to announce that my very competent team of teachers, always bubbling with enthusiasm, vivacity and cheerfulness, tries to create appropriate, meaningful and participative learning situation, thereby spreads the light of education through their meticulous work and infinite patience endowed with divine blessings.

About The School

Every child is special and to unlock their potential, education plays an important role. After a rigorous study we came to a conclusion that at Stepping Stones Play School we can brighten the kid's life with an interactive play way method. This method helps in developing motor skills, power of imagination and creativity through a fun and engaging sessions in class. The children are exposed to teaching aids like flash cards, puzzles, models, puppets, CD, pictorial story books and more!

Facilities

1. Classrooms

Classrooms at SSPS are large, airy and safe. Each classroom has a white board, display boards and racks to keep personal belongings. Classrooms design encourages child's natural curiosity and desire to learn about the world.

2. Library

The school library is a welcoming place for reading. Our library has both printed as well as audio-visual material like CD-ROM and DVDS. There are plenty of books, encyclopedias, picture books, activity books and dictionaries.

3. Audio Visual Room

Our school's teaching philosophy goes beyond classroom education. To assist us in this effort, our school has a fully equipped Audio Visual Room which simplifies learning through multi-media facilities.

4. Play Area

Our school's play area is not merely a place for our tiny tots to let off steam or hang out during recess. Rather, a fun, safe playground environment stimulates students' mind. Play area provides children with rich opportunities to grow.

5. Auditorium

The air-conditioned, multipurpose Auditorium on the ground floor provides an elegant, functional and versatile space for assemblies, concerts, lectures and gatherings of all kinds, as well as for a variety of indoor games.

6. Nutritive Brunch

Fresh, nutritious meals are hygienically prepared in a well-equipped kitchen are served to the students. It also allows children to focus on their studies, without hunger as a distraction. Potable water which is treated through the latest Reverse Osmosis (R.O.) Membrane Technology is available in the premises.
